

# VIDHI GUPTA

Email: vidhii1411@gmail.com Phone: +91 84849 46303

## Professional Summary

Computer Engineering student with internship and leadership experience in software development and data analysis, specializing in Python, SQL, and data visualization. Proven ability to develop databasedriven applications and conduct data analysis projects, with hands on exposure to MySQL and Tableau.

## Technical Skills

**Languages:** C, C++, Java, Python, JavaScript, HTML, CSS

**Databases:** MySQL, SQL

**Web & Tools:** Flask, Node.js, Tableau, Arduino

**AI/ML:** Qiskit

**Graphics & AR:** Unity, Blender

## Professional Experience

**AR/VR Club, GHRCEM**

Sep 2025 – Present

*Management Lead*

- Led planning and execution of club events, coordinating crossfunctional teams.
- Managed resource allocation and timelines for AR/VR workshops.

**E-Cell, IIT Bombay (Pune Chapter)**

Aug 2023 – Aug 2024

*Curations Lead*

- Coordinated with startup founders and industry professionals for event curation.
- Directed event planning, enhancing stakeholder communication and team collaboration.

## Projects

**Churn Analysis Project** | *Python, SQL, Tableau*

- Analyzed customer churn patterns using Python datascience libraries.
- Visualized insights in Tableau to support retention strategy recommendations.

**Library Management System (DBMS Project)** | *MySQL*

- Designed and implemented a databasedriven system for library operations.
- Optimized queries for efficient data storage, retrieval, and management.

**RFID Based Attendance Tracking System** | *Arduino, Python, Flask*

- Developed RFIDenabled attendance monitoring for college library.
- Integrated Arduino hardware with Flask server for realtime logging.

## Certifications

- IBM Data Analyst Certification

## Education

**G.H. Rasoni College Of Engineering And Management, Pune**

Expected Graduation: June 2027

B.Tech in Computer Engineering – CGPA: 8.68/10

**St. Arnold's Central School, Pune**

Completed May 2023

SSC & HSC
