PROFILE

Third-year Computer Engineering student seeking a Project Trainee Internship to apply and enhance skills in MySQL, Tableau and data-driven problem solving. Strong foundation in SQL and database management with proven ability to communicate insights effectively. Demonstrated leadership experience and a collaborative mindset, aiming to contribute to data analysis, reporting and software-driven projects in a professional environment.

EXPERIENCE

Management Lead | AR/VR Club, GHRCEM

Sep 2025 – Present

- Led planning and execution of club events, ensuring effective coordination across teams

Curations Lead | E-Cell, IIT Bombay (Pune Chapter)

Aug 2023 – Aug 2024

- Coordinated with startup founders and industry professionals
 - Led event planning and execution, strengthening communication and stakeholder management skills
 - Managed team collaboration for large-scale events
-

PROJECTS

Library Management System (DBMS Project)

- Designed and implemented a database-driven system using MySQL
- Structured queries for efficient data storage, retrieval, and management
- Improved record organization and system usability

Quantum Circuit Simulator Development

- Developed a simulator using Node.js and Qiskit
- Secured 4th place in Quantum Valley Internal Hackathon

Augmented Reality Tourism Application (SIH Internal)

- Built an AR-based application using Unity and Blender

- Contributed to design and functionality for tourism promotion

RFID Based Attendance Tracking System

- Attendance monitoring using RFID for college library
 - Arduino circuit logic and server implementation using Python (Flask)
-

TECHNICAL SKILLS

Programming Languages: C, C++, Python, Java (basic)

Databases & Analytics: MySQL, SQL (HackerRank 4★ Silver Badge), Tableau (Data Visualization)

Web Technologies: HTML, CSS, JavaScript

Tools/Libraries: Node.js, Qiskit, Unity, Blender

Core Concepts: DBMS, OOPs, DSA (basic), Data Analysis Fundamentals

EDUCATION

G.H. Raisoni College Of Engineering And Management, Pune

B.Tech in Computer Engineering

- Expected Graduation: June 2027
- CGPA: 8.68

St. Arnold's Central School, Pune

SSC & HSC (Completed May 2023)

SOFT SKILLS

- Communication (verbal & written)
- Teamwork & Collaboration
- Problem Solving
- Leadership & Coordination
- Analytical Thinking
